1978

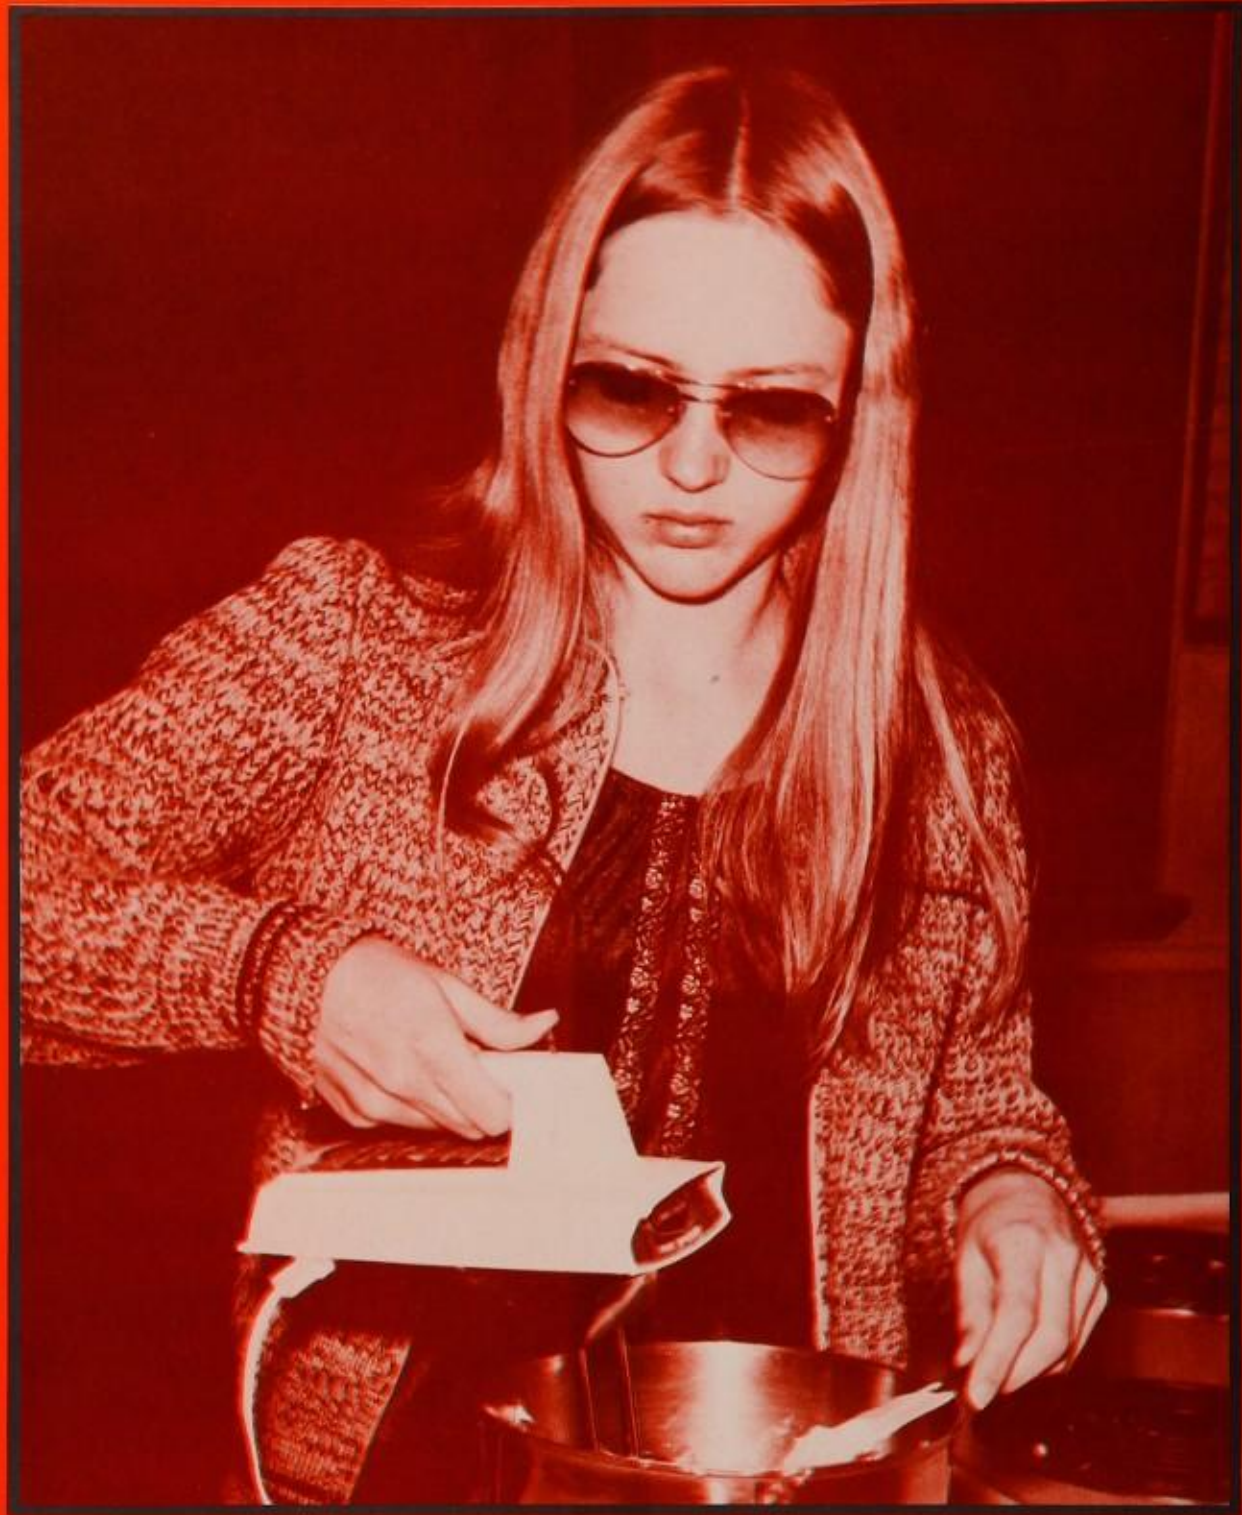

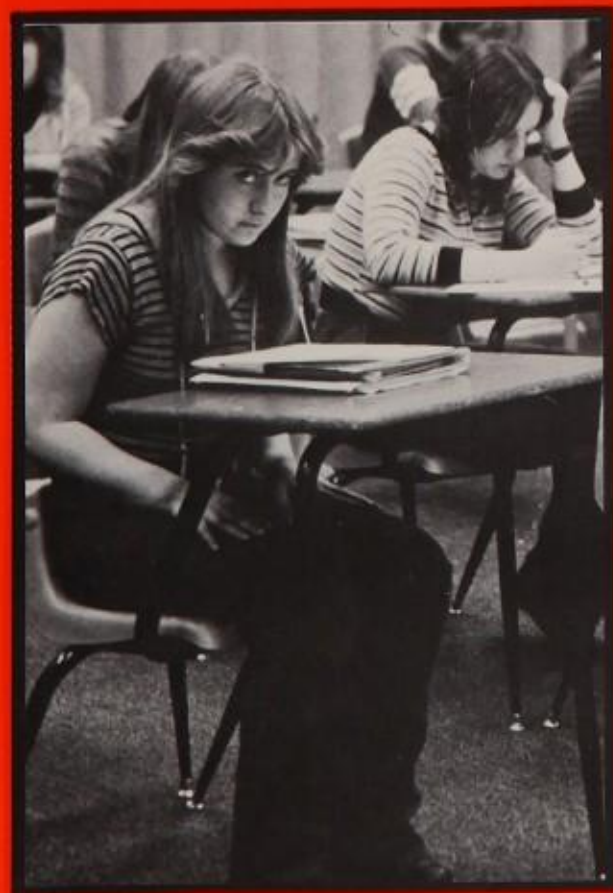

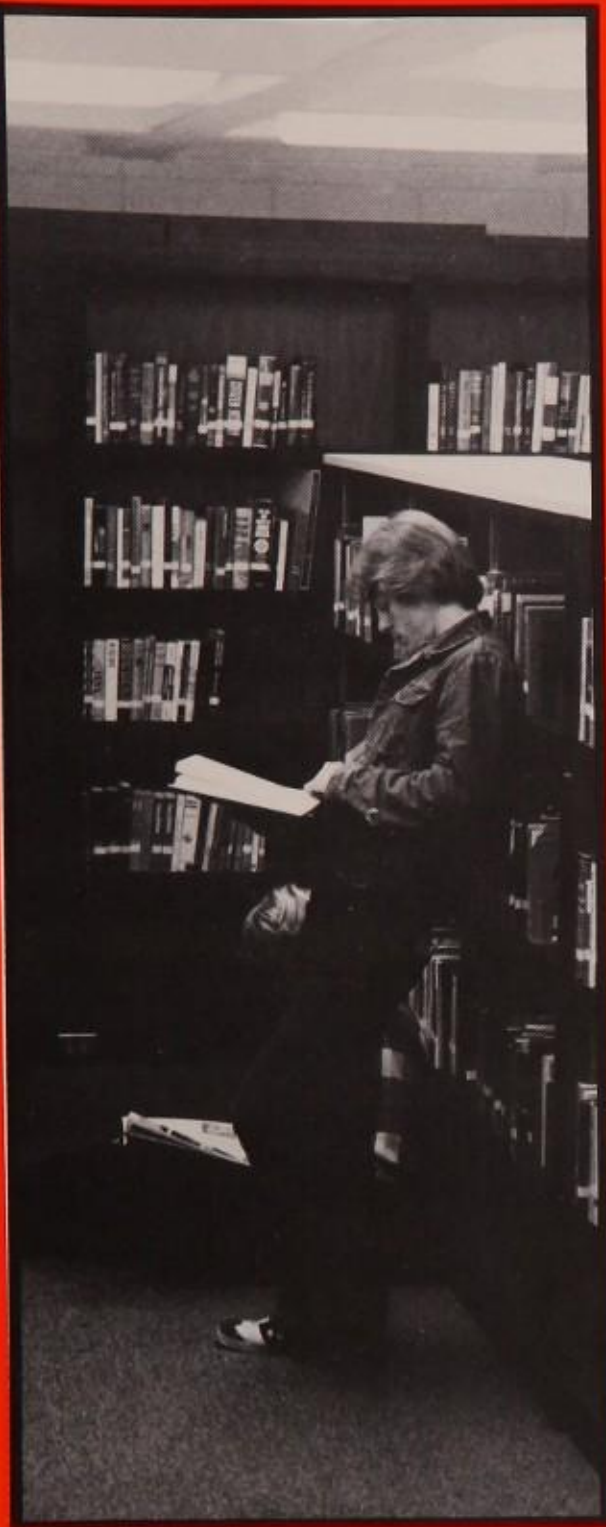

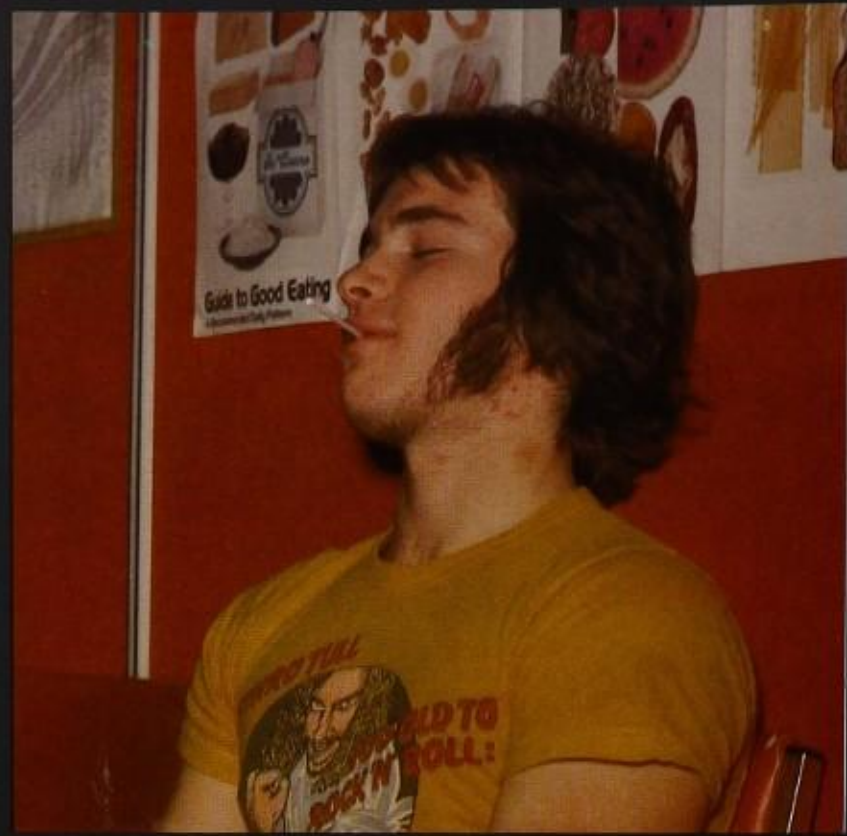

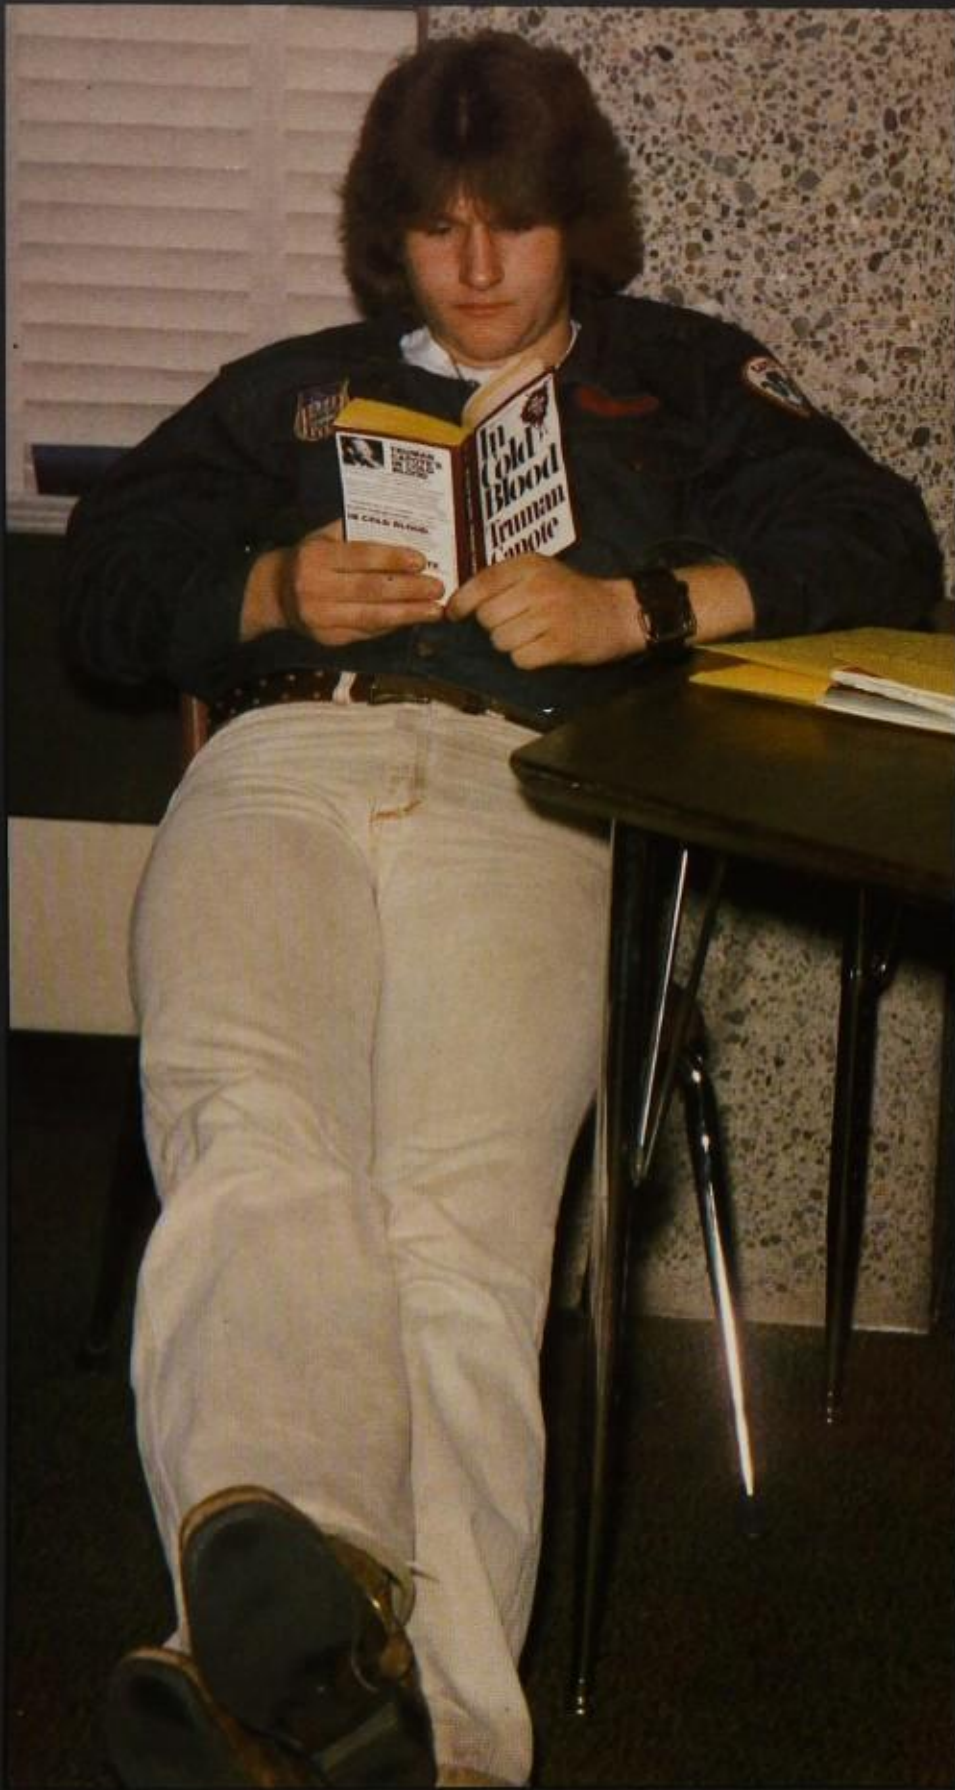

When the invisible curtain rises and it is once again another school year, a cast of thousands appear on the stage. Performing in the setting of the school, their own, each and everyone is a star.

Capturing the hearts
of an audience of
friends
the students give
a natural show
of their day at school.
With individual
characters of their
own and a wide array
of costumes, the
students' individuality
is shown.

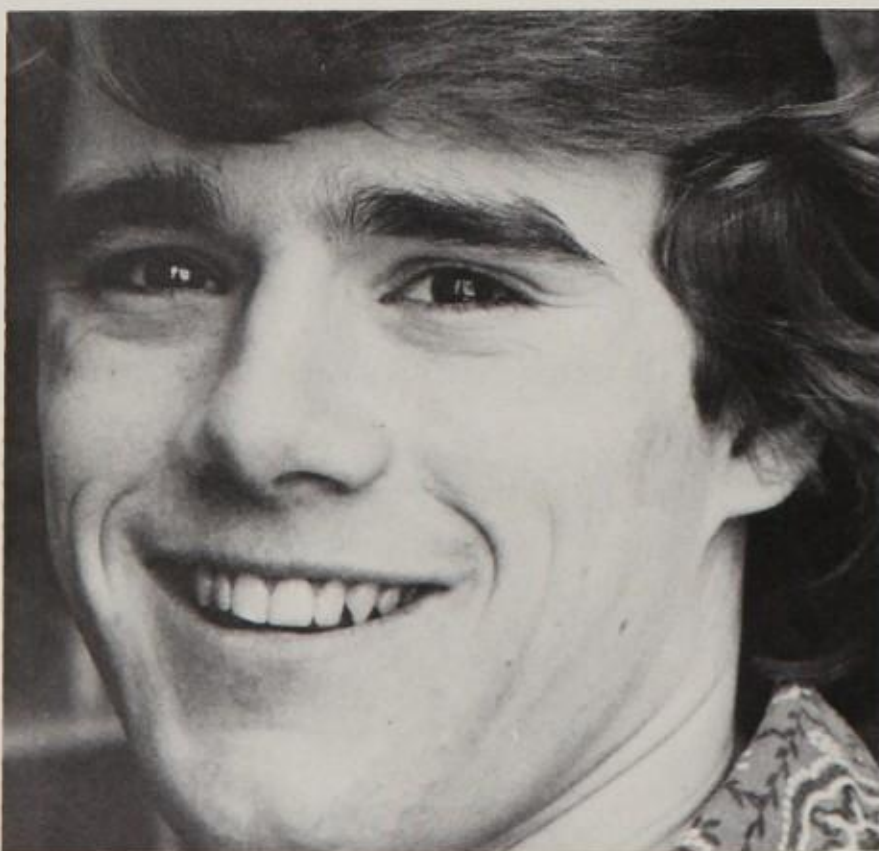

The show has no ending
for the actors replace
themselves to go on to
another show called life.
Sometimes it's a sad
ending, but the thought
behind it is happiness.

We enter a spotlight
in hope, and leave it in
success with memories
of good times and friends.
The show must go on and
we carry it in our minds,
and in our hearts.

ACT ONE

Student Life and Organizations

Activities wrapped up in the student's school day were quite a variety — from the special events to the organizations everyone was involved with. All are covered in the pages ahead.

Blaine Welcomes Students Into School Year

A typical day at Blaine? Rarely. With so many things going on all day long the day could hardly be typical.

Students in the Blaine system were treated very uniquely and individually. The subjects were made in the students' interests with teachers and students on a first-name relationship.

Free time was used to the students' choice. The IMC was open for studying while the social center could be used for talking, playing cards or whatever. Two pop machines were added along with sundaes you can buy during lunch. The Deca Dan was open during all lunch periods in case the students want Hostess or other goodies to eat.

Blaine was still going strong with its own style of learning and was being enjoyed as a part of education.

Blaine Student Body Ranks Fifth Largest in State

Hassles, changes and feelings were all a part of the school beginning on August 28.

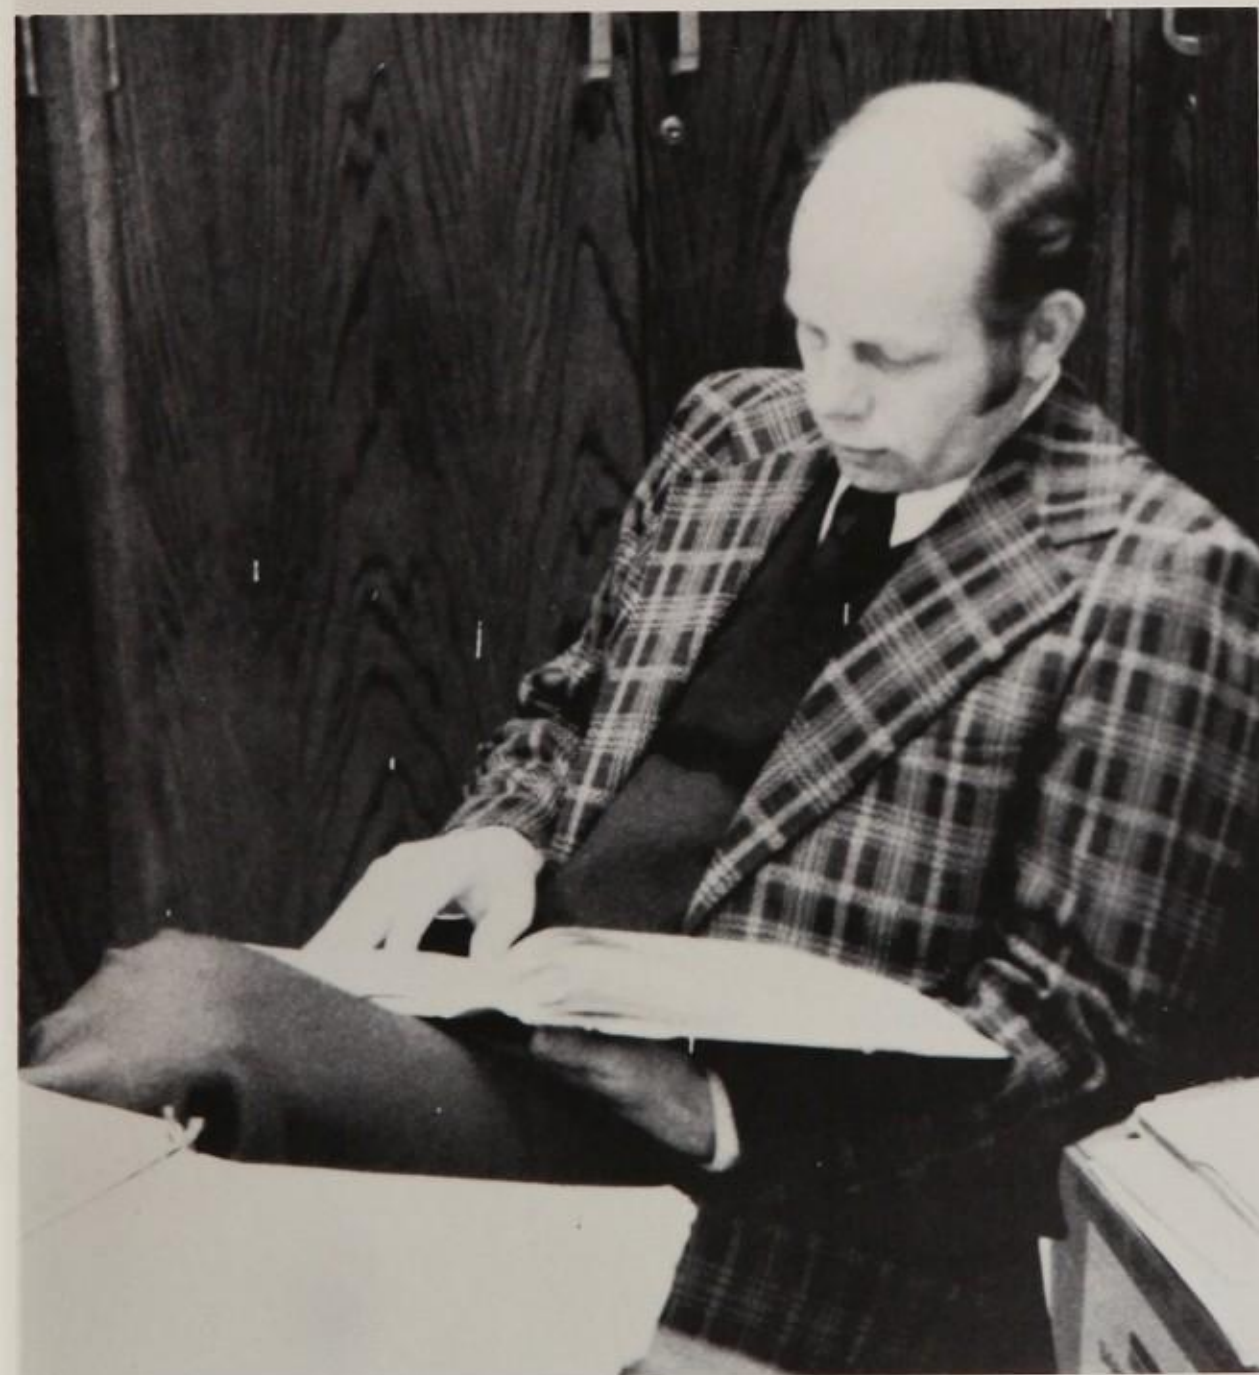

Joining the seniors and juniors were 850 sophomores making Blaine the fifth largest school in the state. Crowded halls and congestion were common.

Sophomores wandered about trying to act nonchalant while frantically searching for rooms.

In the dean's office students often met with frustration while attempting schedule changes. Stated Anne Thom, "At times the deans were not too helpful. It was especially frustrating when they were not in."

Something everyone had to get used to was the reading program which started second semester. After ad mod every person in the building had to read for 15 minutes.

Things settled down as students became accustomed to the school and routines were set.

Homecoming '77

Outdoor Activities

Suffer From Rain

Homecoming was a combination of beauty, frustration and sadness. The football game was postponed three times due to rain and the parade of floats was canceled completely.

The festivities began on October 5 with a pepfest where Mr. Roger Dahl and Ms. Susie Galloway were crowned as staff royalty.

That evening at 8:00 p.m. the Powder Puff Football game was held where 30 senior girls played 30 underclassmen girls. After a rough and physical game the seniors won 50-16.

On Friday, October 7, emcees Brenda Kasal and Mark Nordvall presented the royalty. As the crowd sat in anticipation Gwen Grosz and Rob Bowers were crowned queen and king. The dance was held at 9:30 with the music provided by the band Sterling.

Stated Randy Stroman, "I felt that this was the best Homecoming ever. The people who worked on the committee deserve a lot of credit."

Zany characters give message of life in fall play

Firecrackers? Bald Heads? Ten-foot snakes? Yes. All of these things were part of the fall play, "You Can't Take It With You."

The play was a comedy about a family that did things a little differently and the problems they faced.

Between the laughs the audience picked up little bits of knowledge from Grandpa (Bob McGillivray). Despite a loose snake and unpredictable firecrackers the play was presented on November 18, 19, and 20.

One interesting aspect of the play was Chip Korngiebel's shaven head. When asked why he did it Chip replied, "You only go around once."

Director Kent Knutson felt that the kids handled this type of play very well. Student directors Gwen Grosz, Jackie Ledin, Cindy Adamson, Jeanine Thom, 17 cast members and 15 crew members handled their responsibilities well.

1 — **TAMMY HERMAN WATCHES** one of her students throw the shot. 2 — **WORKING AS A** medical receptionist, Cathy Mathews looks through her files. 3 — **BAGGING PRODUCE AT** Tom Thumb is Ginger Segerstrom. 4 — **MAKING SALADS FOR** Blainbrook restaurant is Julie Arnold. 5 — **STRAIGHTENING THE POP** display at a local grocery store, Bill Patrick works as a stockman. 6 — **RANDY CRAIG READIES** to leave for his job.

Different areas offer views of future careers

The sight of students leaving in the middle of the day was sometimes confusing. They were not skipping, but going to work as students on the work programs.

Students had the opportunity to sign up to work in their junior year. Work was offered in five areas: Office Education, Health Occupations, Cooperative Education, Marketing and Sales, Home Economics and Related Training and Trade and Industry. After applying, students were selected after an interview with the program's advisor.

Most students left during the day, ate lunch and then went to work. The students met regularly with their advisors to discuss the job and any problems the students encountered.

Through these programs students learn about the field in which they are interested and get a better idea about the careers they wish to pursue.

Marching band fights weather, receives awards

The beginning of the fall marching season was hampered by assorted forms of bad weather. The 155 students marched through rain, hail, and snow.

"The fall," said Director Oliver Melting, "was bad news because of the weather we ran into. But the street marching was the easiest we've ever had."

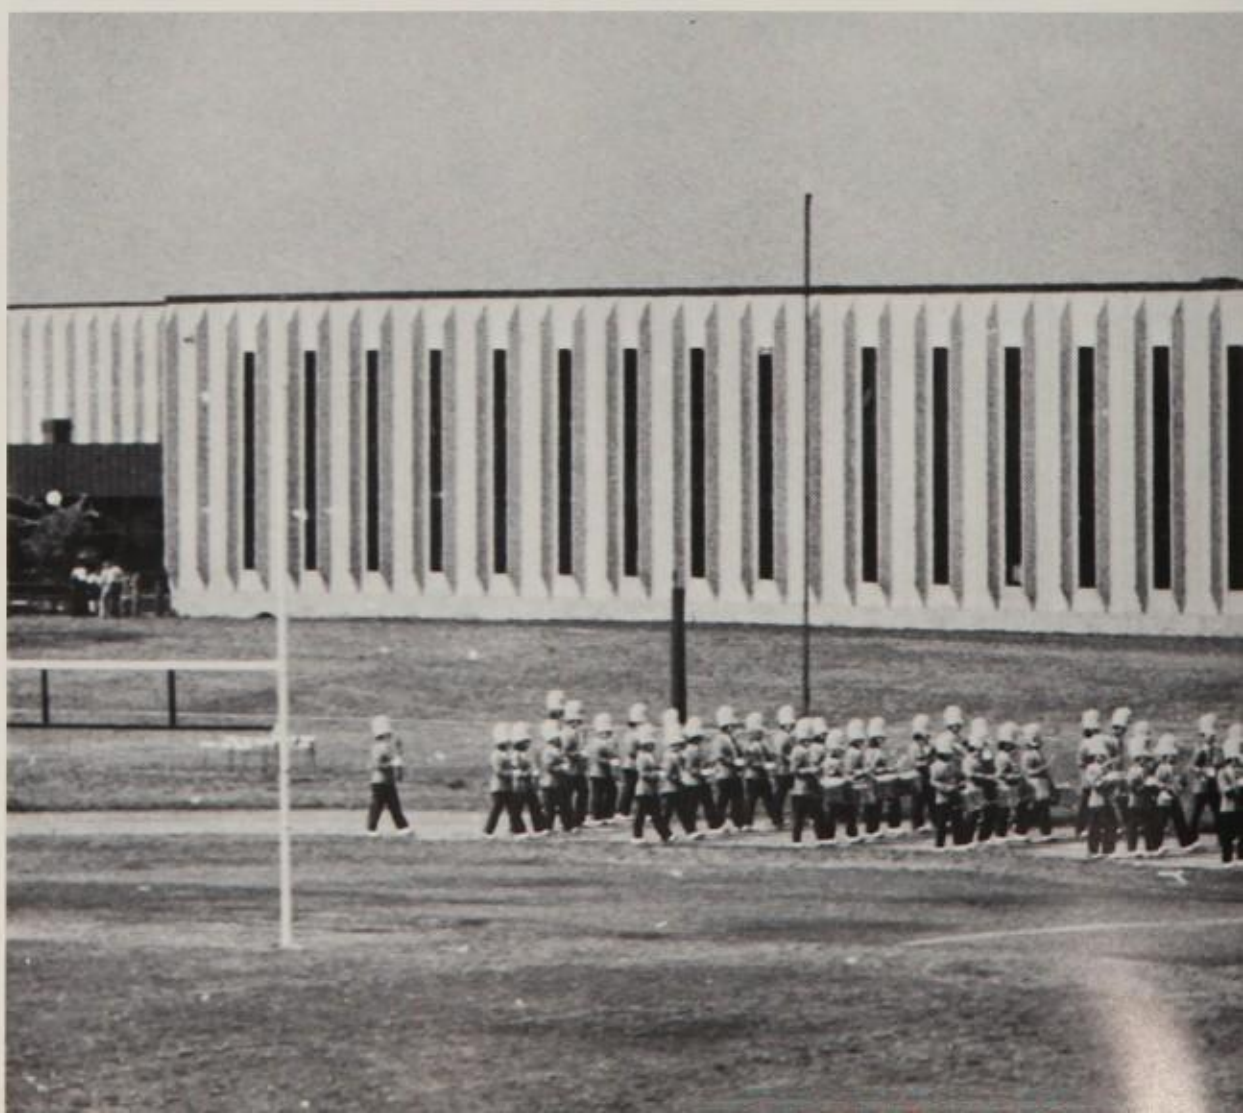

The band proved their ability to perform by placing third in the Anoka Halloween Parade, third at the Lion's Convention in Duluth, and later taking fourth place in Brooklyn Park. The band also performed at various football games, universities, and concerts. Throughout the year the band received some \$750 in cash and trophies.

It was Mr. Melting's last year at Blaine. He stated, "I'll miss the kids, it's been fun seeing the progress for the last five years."

Mr. Melting will surely be missed by the students as well. "I felt he was a very good band director," said Senior Sue Oredson, "and I was sorry to hear that he's leaving. I'm glad he didn't leave before I got out of school."

Due to error in judgment of gun, play gets 2nd

A gunshot destroyed the chances of "The Real Inspector Hound" from winning the right to go to state competition.

Director Kent Knutson along with nine cast members presented the play in the Region 4AA One-Act Play competition on February 4. Unfortunately they were disqualified for what was thought to be illegal use of a gun.

After much frustration and consideration the disqualification was dropped and the play was awarded second even after a judge from the university gave it an excellent rating.

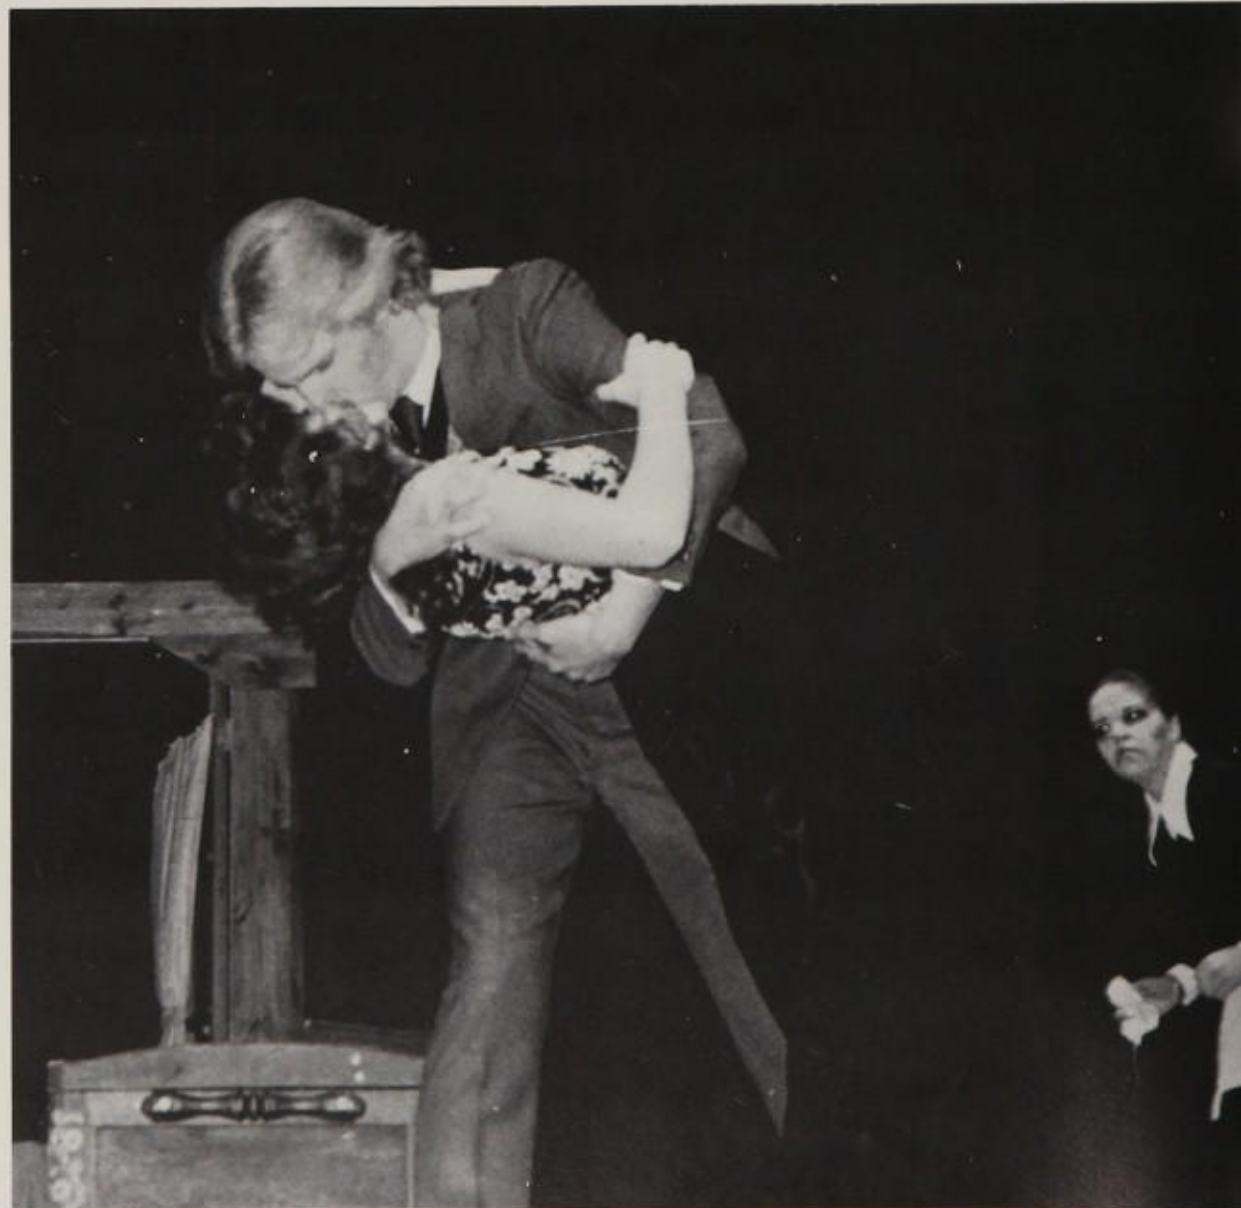

"The Real Inspector Hound" was a comedy satirizing critics and great mysteries. The student body had the chance to see the play during the Snow Days talent show.

Said Mr. Knutson, "The kids did a marvelous job. Our play was by far the best play presented."

"I was proud to be a part of the play," stated Steve Fuller. "Mr. Knutson deserved first place."

Superb Sounds Make Orchestra, Stage Band Great

Superb sounds. That's what stage band and orchestra made when they played.

Under the direction of Mr. Larry Blake, the 32 orchestra students practiced diligently. The orchestra played at many different places. Some of them were the Christmas dinner at Mercy Hospital, Madison Elementary and special dinners.

Rob Bowers, an orchestra student, remarked, "Orchestra needs more support to help them play better."

Stage Band's 22 musicians performed frequently with the orchestra and by themselves. Alone they played at Augsburg College, Anoka Ramsey Junior College, and other places. They also had a Dixieland group that played rag time music.

Debbie Mattson, Bruce Olson, Martin Nebel and Mike Nebel all played at the all-star jazz band contest at Anoka Ramsey Community College.

Mr. Blake said, "All in all I'm very happy on the way things had gone in the past year."

Progress noted with symphony, concert bands

Concert and Symphony bands made "continual progress," stated Director Oliver Melting. He also stated the bands' goals were to compete at all three state region band contests, to play more and better notes and to raise money for various activities. The 205 students sold fruit, had a magazine drive, a monthly paper drive, performed at 12 athletic events, held four formal concerts and a pop concert.

Senior Vickie Sandford stated "I enjoyed being in the band. It was a good experience and I will miss it very much."

Four clubs keep students actively involved

The Pacemakers worked in the emergency room at Mercy Medical Center once or twice a week. They would assist by taking vital signs, cleaning injured patients, and washing instruments. In school, they helped with the bloodmobile. There were 10 to 16 members under Advisor Kathy Posthumus, including officers DeAnna Johnson, president; Mary Mulcron, vice president; and Peggy Kauppi, secretary.

The main function for the girls in the Hostess Club was to cater school functions. These included an advisory Christmas party, and some sport activities. In February, they traveled to Maple Manor Nursing Home where they sang and brought gifts in celebration of St. Valentine's Day. The club's advisor and treasurer was Ms. Jean Mortenson.

The six people in Story Workshop met once a week for a portion of the year. With Advisor Ira Einstein, they worked together on improving each other's writings by using constructive criticism.

Auto Club really accelerated! To be in the Auto Club, you had to have had a small gas engine class and be currently enrolled in an auto mechanics class. The club consisted of 11 guys, one girl, and Advisor George Whittier. "When we started this club, it wasn't too organized, but it really got moving this year. We plan to have it in the years to come," stated Mr. Whittier.

Students Unite With Faculty in Snow Activities

Six days of snow days activities united students and faculty. Starting with the snow sculpture on Sunday, the week climaxed with the coronation and dance.

Snow Days lasted from February 5 to 10. Some of the activities included the snow sculpture contest, volleyball and arm-wrestling. On Wednesday, after a messy pie-eating contest, Dan Johnson won while the trike race was won by Bill Maresh.

In the annual Challenge of the Classes the faculty lost for the first time to the juniors. The students also had the chance to see the hidden talents of such greats as Rob Bowers, Ted Schmolke and Ginger Maresh.

The festivities came to an end on Friday. In the decorated, softly-lit field house Lisa Proctor and Dave Decourcy were crowned as the audience looked on. The end came as people danced to the tunes of Thumper.

"Snow Days was great. The coronation was especially beautiful," stated Lisa Lundeen.

Siverson keeps choirs occupied, makes progress

The Concert and Varsity Choirs directed by Mr. Gerald Siverson were busy this year with such things as a pop concert, a Christmas concert, solo and ensemble contest, performing at Northtown during Christmas and various performances at banquets.

Junior Jeff Shannon, stated, "It was really a fun year, especially with Mr. Siverson as a director. My favorite activity was the solo concert, where I placed just under a star rating."

"It was really a good year," said Mr. Siverson. "The students worked hard and showed improvement. I'm looking forward to a great year next year."

New program in art lets students have variety

The art department was full of change this year. Ms. Paula Iverson left after first semester to take care of her new baby, and Ms. Kathy Davis filled in for her. Ms. Davis is really enjoying her stay here, including "the free paints and canvas . . ." The department also underwent a new system where the students can choose from a variety of classes to be taught in. Mr. Paul Gorshe, head of the department, stated, "This gives the kids more opportunities to learn more about their favorite subject in art." The teachers will keep this new program for another year, and then make some revisions if necessary.

Among more traditional events were the annual art shows: one in the winter at Blaine, and one at Northtown in the spring.

Ms. Quello will also be leaving this year to go back to school which leaves Paul Gorshe as the only regular next year.

Initial annual Christmas play creates spirit

A little boy died and lived again to become the Littlest Angel.

Mr. Kent Knutson and 38 students presented the first annual Christmas play, "The Littlest Angel" to the public on December 17 and 18 and on December 20 they presented it twice to 2200 elementary students.

The play was about a little boy, played by Kris Shimek, who suddenly found himself in heaven. When Jesus was born all he had as a gift was his box which contained treasures from his home. His gift was favored because it came from the world Jesus had entered.

One interesting aspect of the play was the choreographed scenes. With Kathy Osen organizing it four girls did a small ballet piece.

One of the dancers, Julie Sochko said, "It really meant something to me. The dancing was a lot of fun too."

Greats of '78 takes movies, T.V. and radio

January 20 — Senator Hubert Humphrey died after a long battle with cancer, and his wife, Muriel, replaced him in the Senate. March — after 100 days of striking, the Coal Miners Union made agreements with the government for better work conditions. April 26 — gay rights were repealed in St. Paul.

Elvis Presley, Bing Crosby, Groucho Marx, and Charlie Chaplin died during the last months of 1977.

John Travolta danced his way to an Oscar nomination for his stunning performance in "Saturday Night Fever." "Star Wars" became the biggest box-office smash, grossing one-quarter of a billion dollars.

Fleetwood Mac's "Rumours" went sex-tuple platinum and spent 32 weeks in the number one spot on the charts. The Bee Gees became the hottest act since the Beatles, placing three songs at number one.

February 20 — Muhammad Ali lost his heavyweight crown to Leon Spinx.

Summer training gets Bengalettes in winning shape

"It's been a good year for the Bengalettes," stated Ms. Nancy Quast, adviser for danceline. "We started early with a summer training program to get all the girls in shape and ready for the first football game."

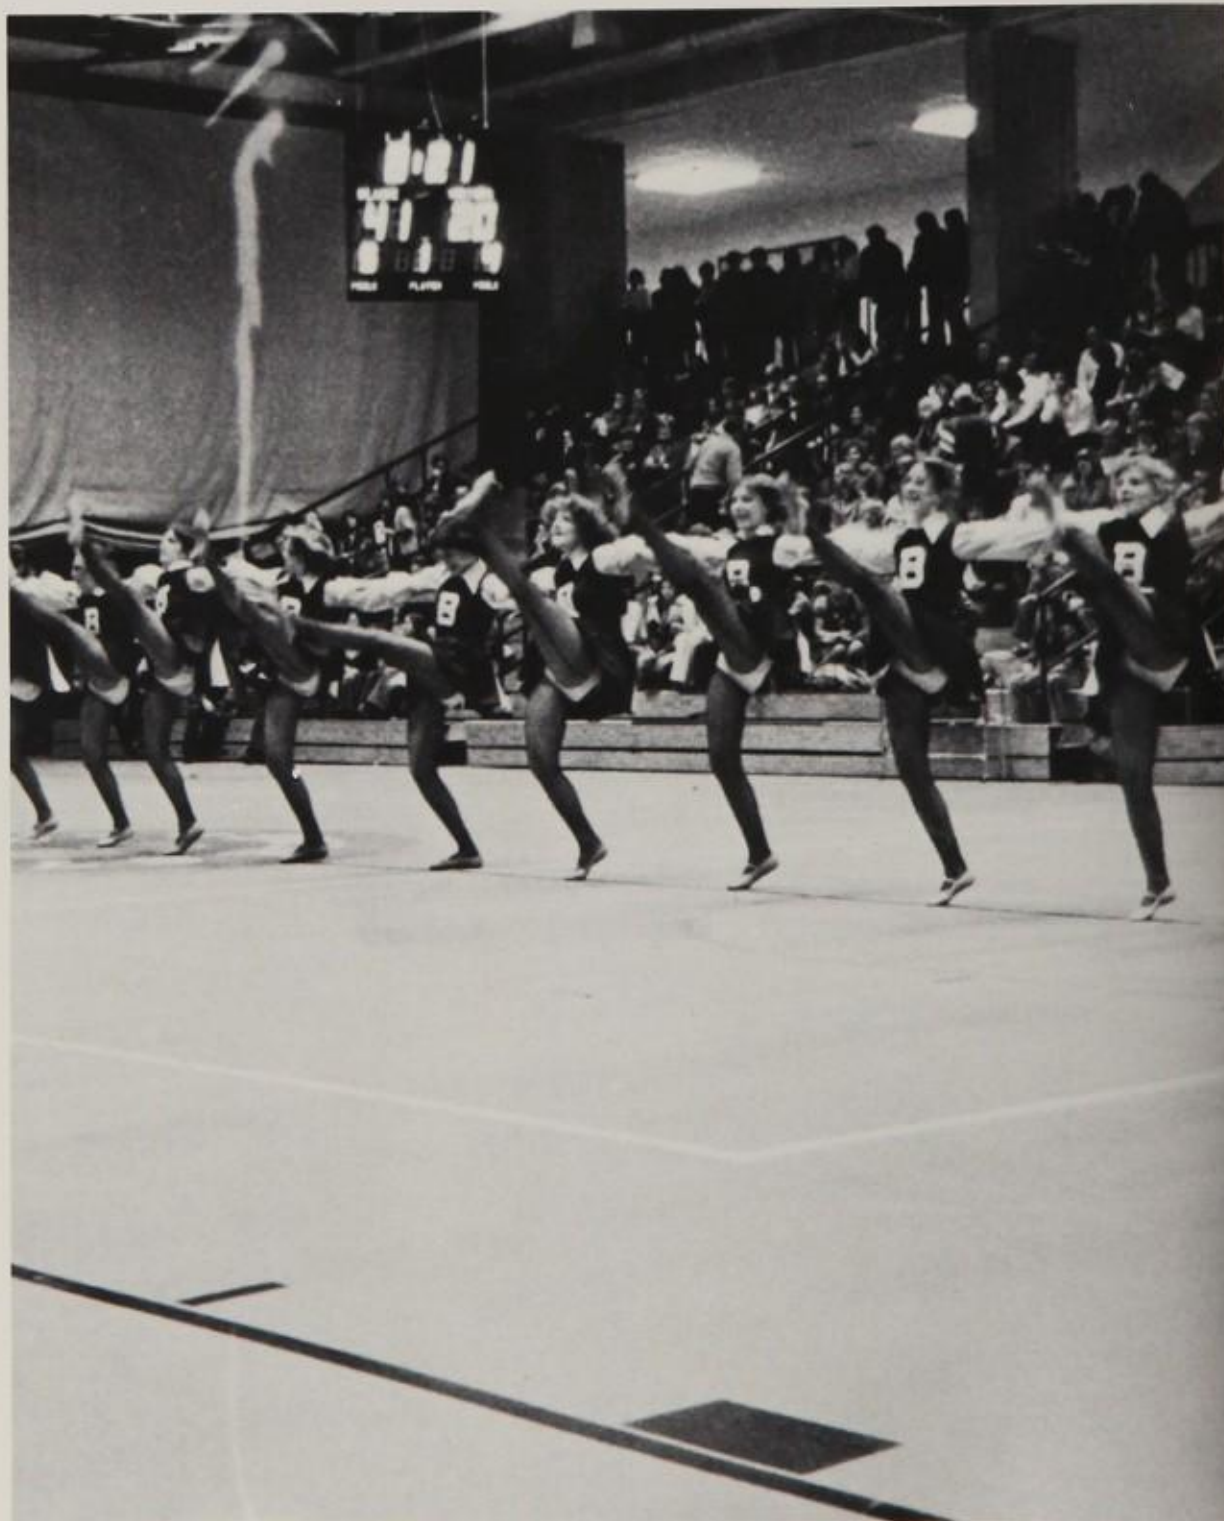

"The danceline was involved in a number of different activities. In the University Clinic competition they took second place and at the St. Paul Winter Carnival they came home with the friendship trophy."

"The girls learned a lot from these competitions," commented Ms. Quast. "They enjoyed watching and getting ideas from the other dancelines as well as performing themselves."

The Bengalettes also sponsored a dance and made enough money to pay for their new tuxedo outfits.

When asked why she joined danceline, Betsy Stater replied, "It's fun and it was a way to meet new people."

The Bengalettes made eighteenth in state which is to be compared to them taking thirty-first place last year. A great improvement has been made from a lot of work and a good time was rewarded.

Student Council wants to make new changes

Student Council activities included planning Homecoming, Snow Days, a number of dances, and canned food drives. Nobody really knew how much work went into these events. The group was equally responsible for visiting the junior highs and introducing them to Blaine.

The advisors for student council were Mr. Dave Irvin and Mr. Joe Getty. Some members of student council proposed having the format of the organization changed next year to allow the student body to become more involved. They've visited other schools and talked to other members to see how this can be accomplished.

Kelly Brunsberg felt the program wasn't very successful this year because "kids didn't take it seriously and looked at it as more of a popularity contest."

Explorers, Ski Club, Focus are active outdoors

Explorers members, along with Advisor Marge Gust, held a pancake breakfast in February. Money raised from this event was used to send two of the officers to Washington, D.C. and also was helpful to several kids who attended Winter Fun Games in Duluth. Explorers returned with nine of the trophies awarded. Events included snowmobiling and skiing. Dave Baum and Kevin Radisewitz, winners of the snowmobile races, both agreed it was a great chance to get away and meet new people.

Ski Club was divided into two separate groups. One group contained 35 skiers, and the other 25. Skiers were bussed to their outings, usually each Wednesday after school and returned by 10:30 p.m. Advising this group were Ms. Marge Hasbrook, and Mr. Paul Gorshe.

Mr. Jeff May, Mr. Jim Mastro, and Mr. Steve Wolf were the advisors of FOCUS. They planned activities such as downhill skiing, trap shooting, and softball games. Also students were required to take English, social studies, family, and an elective. Collette Mercer felt, "It is a good program for kids who can't deal with the mainstream work. Our teachers aren't like the others, they help you out."

Colors, escorts, guns, drills: what is ROTC about?

NJROTC gave the school a taste of the Navy as the Color Guard presented the colors at every home athletic game. It consisted of a Rifle Team, Drill Team, Color Guard, and Escort Team.

In October, the escort team promenade queen candidates at the Wisconsin Cranberry Festival. During January, they held their Fifth Annual ROTC Ball at the Bel-rae Ballroom, which included a formal dinner and dance. Later that month they held their semi-annual awards day.

One of the many awards presented was to Jan Kimmerle, who received the Naval Science I outstanding Cadet of the Month Award. Later in the year, the first year NJROTC students attended the mini boot camp in Illinois. Then in April, competing against other NJROTC students, our Drill Team attended the annual Drill Team Competition in North Chicago.

"ROTC is a good way to get experience for the service, and can be helpful in everyday living," stated Officer Kim Willet.

DECA, VICA, OEA Train for Future Careers

During the year Office Education Association (OEA) did many different and exciting activities. When the Blood Mobile came, OEA helped by manning the typewriters. Also, they made their mark in the regional OEA typing competition when Wendy Peters placed first in typing. With Advisor Alayne Ree, officers were Sandy Olson, president; Sharon Haron, vice president; Shelly Olson, secretary; and Sandy Beck, treasurer.

Twenty-four students were involved in Distributive Education Clubs of America (DECA). They were involved in a career development conference in February, and later in the year attended an employer-employee banquet. Officers were Steve Meyer, president; Kris Farnsworth, vice president; Greg Pittelcow, treasurer; and Robin Stone, secretary.

Some of the activities Vocational Industrial Clubs of America (VICA) attended this year included a leadership conference in October, a skilled olympics conference in March, and an employer-employee banquet in May. Officers were Curt Schramm, president; John Erickson, vice president; Gary Chilstrom, secretary; Monica Jordan, treasurer; and Mike Johansen, parliamentarian.

Bengalore Bunch Works Together; Completes Book

"Insane" that's the word that describes Blaine's own coo-coo nest.

Working hard to put a new and different yearbook together, the Bangalore staff, small but efficient, consisted of a handful of people.

Editor-in-chief, Lori Olson, worked with her staff — Virginia Quintana, student life editor; Lisa Lundeen, organizations editor; Gloriann Thoreson, sports editor; and Julie Empey, people editor; to make a yearbook different from previous years.

"We're understaffed this year. Each of the editors are doing all the work for each of their pages because they have no staff of their own," said Lori Olson. Nevertheless, with deadlines met, pictures cropped, and stories written, the Bangalore staff completed the fifth addition of Blaine's yearbook.

Blueprint Finds Many Challenges Very Rewarding

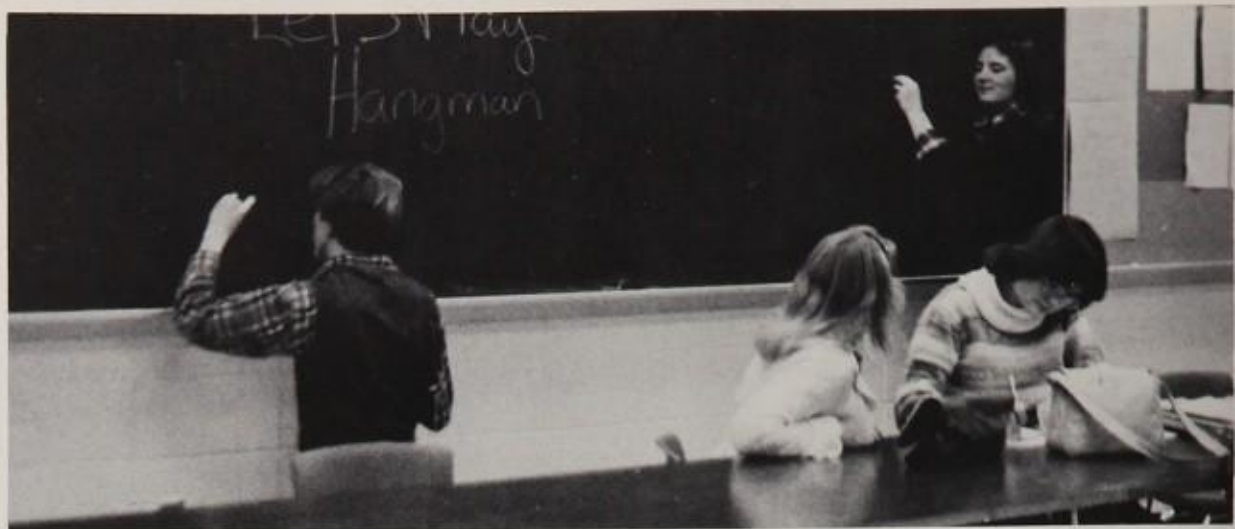

Some 25 students worked together to create 12 issues of the Blueprint, which was published every three weeks.

The Blueprint improved in many ways during the year. More pages, photos, a new two-page feature spread, and more current event articles helped increase sales by more than 50 per cent.

Editor-in-chief Gary Lawson commented, "The **Blueprint** tried to think of many new ideas to satisfy the student body."

Editors working with Gary included Lisa Proctor, features editor; Kathie Kohout, expressions editor; Nancy Mason and Margie Myers, co-news editors; Jean Kot, sports editor, and photographer Dean Hollister. Advising this group was Ms. Joanne Christianson.

"At times I hated having to handle eight pages every issue. But when the Blueprint came out, I found the results were well worth the hassle," stated Lisa.

Nature hooks biology, outdoor career groups

'Go west, young man,' as the saying goes, and that's just where the members of the Western Biology Club went. The states visited in June were Nebraska, Wyoming, Montana, North and South Dakota. Other than seeing the interesting sites, their activities covered backpacking, fossil collecting, hiking, camping and mountain climbing. Included in the club's travels was a camping trip in Wisconsin which occurred in the spring.

The club consisted of approximately 25 members, each contributing themselves in helping to raise money.

This was the club's third trip, and according to Advisor Bill Lacina, it was "one of our best."

The 18 people in outdoor occupations concentrated on landscaping and horticulture skills such as to maintain flower and vegetable gardens, caring for landscape trees and shrubs, and to improve nature sites.

"The students were forced to work together and get involved in things. It was a lot of work, but with a lot of benefits," said Mr. Bob Bowman, who taught the class.

12 enthusiasts keep wrestlers' spirits boosted

Clothes pins for wrestling?

That's what the wrestling boosters gave a wrestler that pinned his opponent during his match, said Julie Dolle, co-chairman with Kyle Walberg for the group.

"There were about 12 active girls involved in the group. A lot more signed up, but they didn't always come," said Advisor Jo Kruempel.

One major event that the girls worked hard at was the Junior Varsity Tournament. It was the first time it was held at Blaine. The girls were hostesses and helped by keeping score and time for the matches.

Some other things the girls did were putting signs up at the matches, both home and away, and cheering at the matches, too.

"I hope we are more organized and have better attendance from the girls next year," said Advisor Jo Kruempel.

Clashing swords in 'Camelot' entertain 5000

The sound of clashing swords rang throughout the auditorium as the knights battled. For five performances, King Arthur and the knights of the round table lived again in the play Camelot on May 5, 6, 11, 12 and 13. Director Kent Knutson and a cast of 58 presented the play to a total of 5,000 people, and it received standing ovations after each performance.

"Our drama department has proved itself again and these kids deserve enormous credit from set crew to customer to cast," stated Mr. Knutson.

Jeanine Thom, a dancer in the play commented, "It was a great experience and I was sad to see it end."

Sayonara draws 179 couples to rain filled prom

Students had the opportunity to spend an evening in the Orient by attending prom at the Radisson Downtown on April 22. Organized by the Junior Class with Advisor Jean Mortenson, the theme was "Sayonara" which means "till we meet again."

For many students the evening began with dinner at places like the Edgewater Inn or the top of the IDS. They then proceeded to the dance which began at 8:30 p.m. After the Grand March emceed by Principal Elliot Perovich couples danced to the music of "Family Affair." Couples also had the chance to have their pictures taken against the backdrop.

Many couples ended the occasion by going to Taylor's Falls the next day. Stated Senior Deb Erickson, "It was still fun even though it rained."

Honor Society works together, completes much

The 67 members of the National Honor Society had a very active year. Among its many activities were the making of a homecoming float, selling of candy canes with messages at Christmas, snow tubing parties, hosting the "Gong Show," raising money with a bake sale, and a weekend canoe trip.

Leaders of the group were Mitch Graves, president; Scott Kroll, vice president, and acting secretary; and Greg Marszalek, treasurer. Advisors were Ms. Margaret Hennen and Mr. Fred Sass.

Lisa Proctor headed the committee for the fund raising bake sale. She stated, "The bake sale went well. Cooperation from the members and advisors was fantastic. This is the first year I know of that Honor Society members have worked together to get things accomplished and plan events. We had a lot of fun."

Advisor Sass said, "This is the best group we've ever had. I like them as a group and as individuals. We did many nice things this year."

Fashions, fads give school days color, variety

As people walked through the halls they got a good view of the different styles and fads prominent in school. Besides being interesting to look at, these fads and fashions gave color and variety to each day. Glimpses of the following were common:

Cowl necks . . . decorated lockers
. . . kinked hair . . . three-piece suits
. . . feathered hair . . . dresses getting longer and longer and more and more common . . . high boots . . . stick pins . . . barrettes . . . the usual jeans and tee shirts . . . double pierced ears . . . painter pants . . . ruffles . . . bulky clothes . . . scarves . . . layered look . . . pop rocks . . . disco dancing . . . sweaters tied around the neck.

854 Blaine High students involved in documentary

854 Blaine students got their big chance to be seen on TV on March 16. The qualifications were not difficult: be quiet, lay down and play dead.

A KSTP documentary on highway fatalities needed over 800 bodies to represent the number of deaths last year.

Blaine was elected because of its location, large school body and cooperation of staff.

Consequently, all third-block students piled into 15 buses, went down to the dragstrip and tried to lie quietly in the cold weather as cameramen took pictures and helicopters flew above. Said Principal Elliott Perovich, "I like to see kids get involved. It was a chance for us to be of public service and was good for the school."

Foreign Culture Activities Draw Student Interest

If someone wanted to learn about a foreign country he could do three things: take a language class, join AFS or speak to one of our foreign visitors.

AFS is an international program operating on the idea of "Peace Through Understanding." Helder Madeir of Brazil was here through this program. Senior Caroline Berry left for Columbia in January. Caroline stated, "I was both scared and excited. It was really a surprise."

The language classes offered many attractions such as the annual soccer game and special Christmas Activities. A new addition to the language department was Ms. Etelvina Monteroso, an Amity Aide from Guatemala.

Two more people visiting were Eva Stahl and Niels Falk. Eva's reaction was, "The school system is very different. It is more strict here."

HOCE, HEART and CHOC; what does it mean?

Homecoming flowers, pictures with Santa, Christmas decorating contest, and Valentine flowers — all these added up to be Health Occupation Coop Education (HOCE). HOCE consisted of 12 students, all interested in a medical career. One member, Julie Sartwell, won a scholarship to go to a Red Cross Training Center.

Meeting over breakfast was not unusual for Careers in Health Occupations (CHOC). During the year the 32 students involved talked with many guest speakers, and went on various field trips. In April, they spent two days in Rochester visiting many different medical points of interest. Advising this group was Ms. Linda Thompson.

Home Ec and Related Training (HEART) competed in events which included cake decorating and hors d'oeuvre preparation. During September, HEART attended a fall assembly, and in March they attended a spring conference. Officers were: Kelly Kirchner, Julie Arnold, presidents; Steve Petron, vice president; Vickie Nelson, secretary; Theresa Rakota, Treasurer; and Advisor Ginny Karbowski.

Student Council Bloodmobile gains success

"The bloodmobile of last fall was the most successful one we've ever had," commented Advisor Dave Irwin. Sponsored by the Student Council, over 300 staff members and students turned out for the event.

To assist the Red Cross, the Council set up 12 different committees. Also involved in the bloodmobile were Health Careers students. After donating their blood, students were treated to popcorn, orange drink and cookies which Student Council made itself.

To stimulate interest the members made posters and sponsored a movie on giving blood to prepare wary students.

"It was a lot of hassle and confusion, but it was well worth it," stated Student Council President Randy Stroman.

Girls ask boys to Blaines' first annual morp

Blaine held it's first annual Morp on November 4. Morp (prom spelled backwards) was an informal dance where the girls asked the guys to go and was sponsored by the cheerleaders.

The occasion began at school with messages being sent. Some of these included: M-me and you, O-our friendship, R-really like you and P-perfect match.

The dance began at 8 p.m. and the couples danced to disco music until midnight. Students also had the opportunity to have their pictures taken on some hay bales.

The dance was considered to be a big success by all of the cheerleaders and Advisor Suzie Galloway. The profits of \$600 went towards the debts they had to pay such as: cheerleading skirts, pom-poms and others accumulated during the past four years.

Stated Wendy Emerson, "It was a nice change of pace. I really enjoyed it."

Seniors wrap-up last days with skit as spotlight

As the school year came to an end the last weeks of the seniors were filled with activities common to the coming graduation.

On May 10, 135 students went to the Recognition Luncheon at the Bunker Activities Center. Students were honored for outstanding achievements during their school years. 1978 Valedictorians and Salutatorians were named.

The Class of '78 got together informally for the last time on June 2 at the Senior Breakfast. After eating the staff put on the skit "Bengalot." Afterwards student and staff awards were given. Then Mitch Graves and Steve Welle displayed their skit, "The Candy Shop."

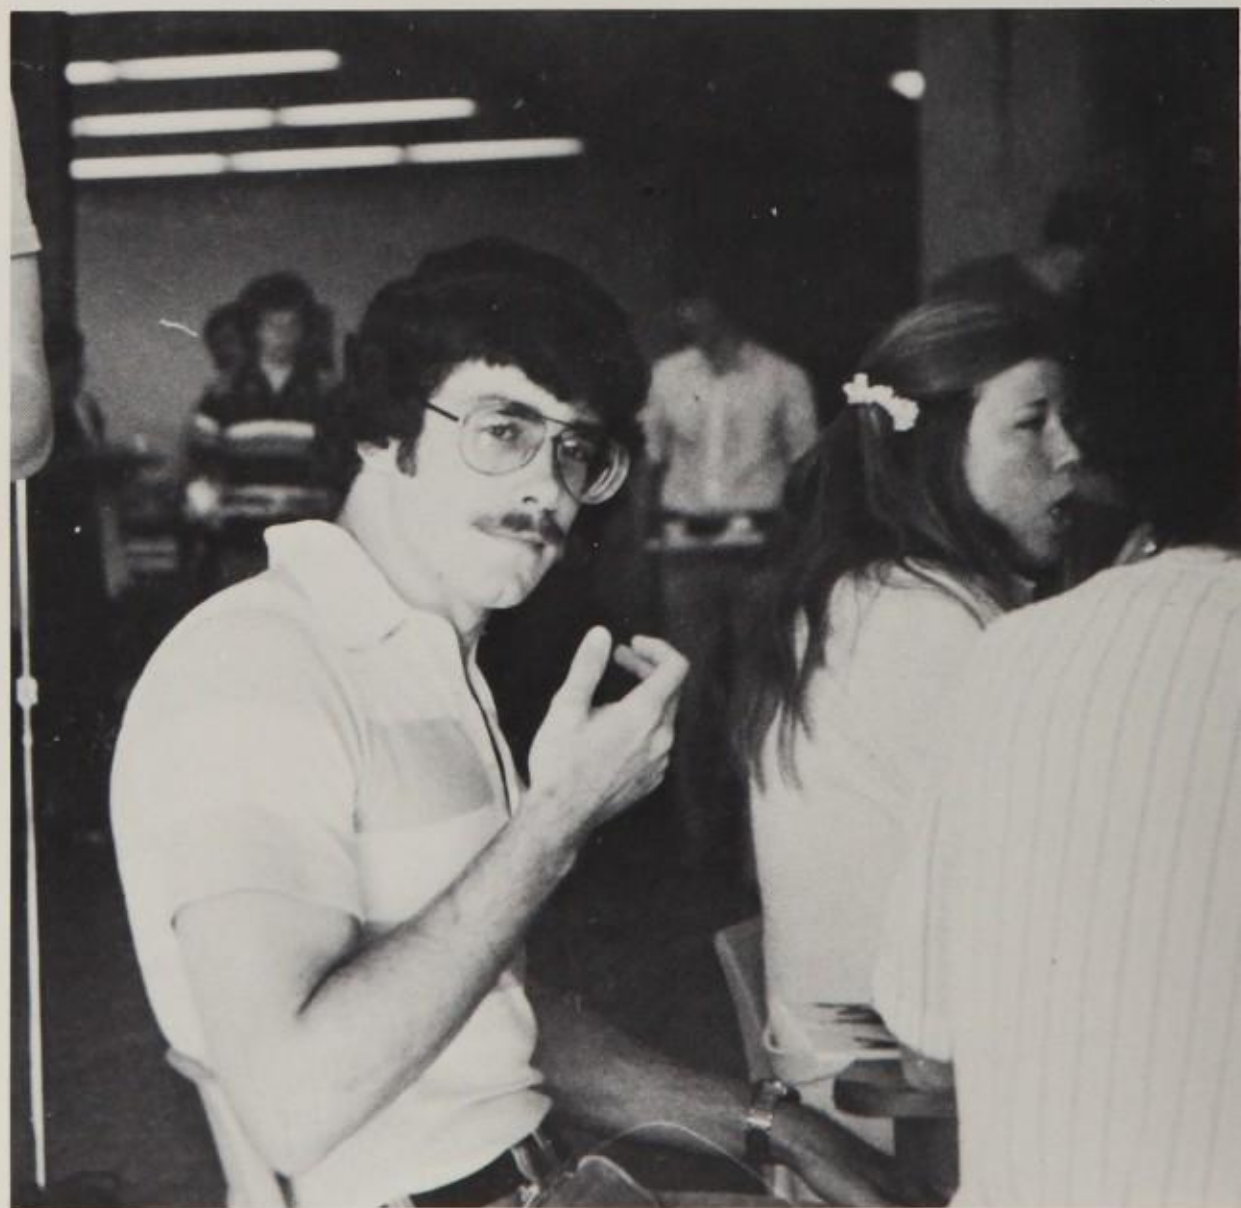

Baccalaureate was on Sunday, June 4, with guest speaker Reverend Tim Powers.

These activities along with the banquets, autographs and open house invitations led to the high point of commencement.

Beginning; End tears are found graduation night

The year came to an end with graduation on June 7. That evening, students, staff and friends gathered in the cold weather to see the seniors graduate.

The ceremony began at 7:30 as the seniors marched onto the field. After the blessing speakers included Principal Elliot Perovich, Superintendent Lewis Finch, Mike Maloy, Roher Dahl and Bob Lilligren. Then Kris Shimek and Jackie Ledin sang "Do you know Where You're Going To?"

Then the moment arrived for the students to receive their diplomas. The lines moved quickly as the deans read the names. After the last name was called, tassels were moved and flowers flew in the air. And finally awards were received by some students.

At the reception, the importance of the evening hit the students and the tears came. This was the end and beginning for many of them.

Cheerleaders Improve With Hard Work

"Working hard with a twice a week practice from 2:30-4 p.m. showed dedication on the part of the cheerleaders," said Ms. Suzie Galloway. Special projects for the 36 cheerleaders were the Morp Dance, (backward of prom) and the many pep fests. "Working with advertising, the dance and selling tickets was my part of the Morp Dance," commented Julie Picquet. The dance brought in money for new skirts and pom-poms for the coming year. "There was total excitement shown through the many pep fests," stated Ms. Galloway.

When Cathy O'Driscoll was asked why she came out for cheerleading she said, "I enjoy feeling part of the school and I've met a lot of people through it."

Football defeat over Cardinals highlights year

The football season ended a little earlier than usual for the nearly 100 participants. The brightest spot in a not so bright year was a long, wet victory over Coon Rapids to dampen their Homecoming.

That was the only victory in a season that held eight losses and not a single point scored in the first four games.

Practice began optimistically during the hottest weeks of summer. A program of extensive stretching, running and drilling was instituted in preparation for what was hoped to be a winning season.

Awards at season's end went to Bill Maresh, most valuable player; and to Bruce Bloxham, most valuable offensive player and all-conference selection.

Coaches were Mr. Lowell Kutches, Mr. Dave Snedrud, Mr. Bruce Santerre, and Mr. Arlo Brunsberg.

Disappointment, pleasure mix; typify soccer

The soccer season was "a little disappointing," said Head Coach Bob Strommen. "We expected to do a little better than we did. We still ended the season pleased though."

Scott Kroll agreed with this assessment. "We had the potential to do good, but we didn't quite make it."

Coach Strommen said the highlight of the year was a late-season tie with Moundsview in overtime. It was a great accomplishment since Moundsview later went on to win the state championship.

Outstanding players were senior forwards Mitch Graves and Matt Larson and senior halfbacks Scott Kroll and Dennis McNulty.

Over all the team finished with five wins, eight losses, and one tie.

Boy gymnasts finish strong in region meet

Despite a slow start, the boys' gymnastics team had a good season, and finished in the regions as strongly as they had the previous year, according to Coach Dan Dussl.

Led by Captains Rob Bowers and Dave Gerads, the team placed second in the conference, and fourth at the Mankato Invitational Tournament.

When asked what qualities made the team so successful, Head Coach Gene Palmer replied, "Good leadership, good basic execution of tricks, and a great attitude towards hard work." He named Rob Bowers, Dave Gerads, Dean Fries, and Ray Reinfield as top performers on the team.

Dave Gerads added, "One of our goals was to make it to the state meet."

With a record of 12 wins and 3 losses, one which was in the conference, Dean Fries and Rob Bowers continued to go on to the state meet, Rob taking second on the high bar and Dean taking first on the horse.

Becks' cross country runners hard-working

"They were the hardest working group of runners we have ever had at Blaine," said Coach Doug Beck. "Five runners went over 800 miles during the season, and Joe Theilen ran 910 miles, an all-time high for a Blaine cross country runner."

Coach Beck cited dedication, desire and the will to win as the reason for the team's success. They placed third in the conference and eighth in the region five meet.

Tony Hereid was named the most improved player, improving his time by more than a full minute and running over 500 miles more than last year.

Volleyball team makes history at semi-finals

"Making it to the semi-finals was an exciting step for the volleyball team," according to Kathy Head. "This," coach Head added, "was the first Blaine volleyball team to accomplish going to the semi-finals."

Playing inconsistently this year showed that the team was able to play excellent volleyball but did not always use all their ability.

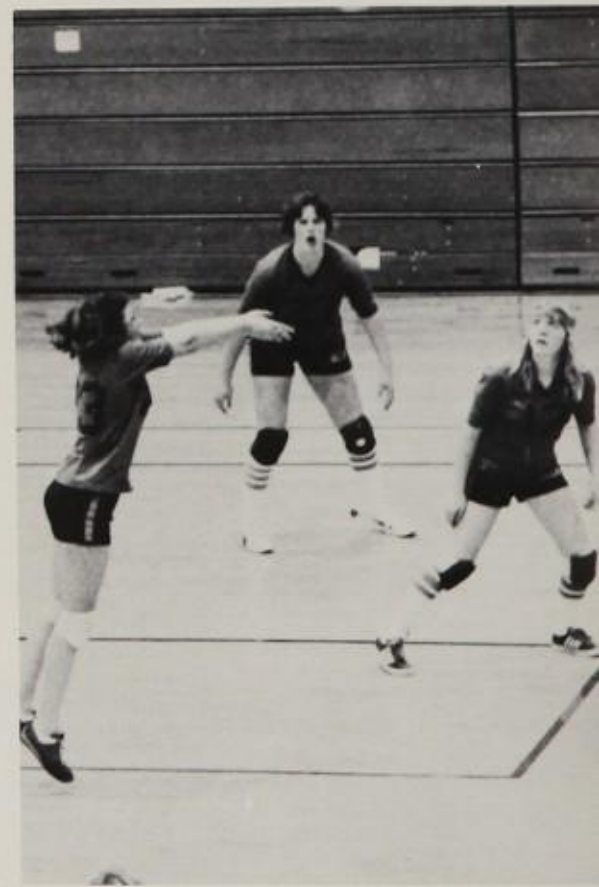

Most improved player was Kelly Brunsberg and the captain was Krystal Becker. Each and every player showed improvement with the record of 7 wins, and 10 losses.

Girl swimmers work harder, finish strongly

The girls swim team pushed a 12 to 14 hour work day and accomplished a high finish in the junior varsity conference meet. From the Panther Invitational the girl swimmers brought back awards and ribbons.

Taking a victory over four schools also brought the team good spirit and good record of 4 wins 8 losses. Captains this year were Nancy Johnson and Pam Sorterberg while the most improved swimmer was sophomore Jaci Apel.

Coach Judy Schleicher stated that she looked for lasting power and smoothness of strokes in her swimmers. When asked if she had the chance to do it all over again, Coach Schleicher stated she would alter the line up against Anoka so we could win.

Winning season brings hope to girls' tennis team

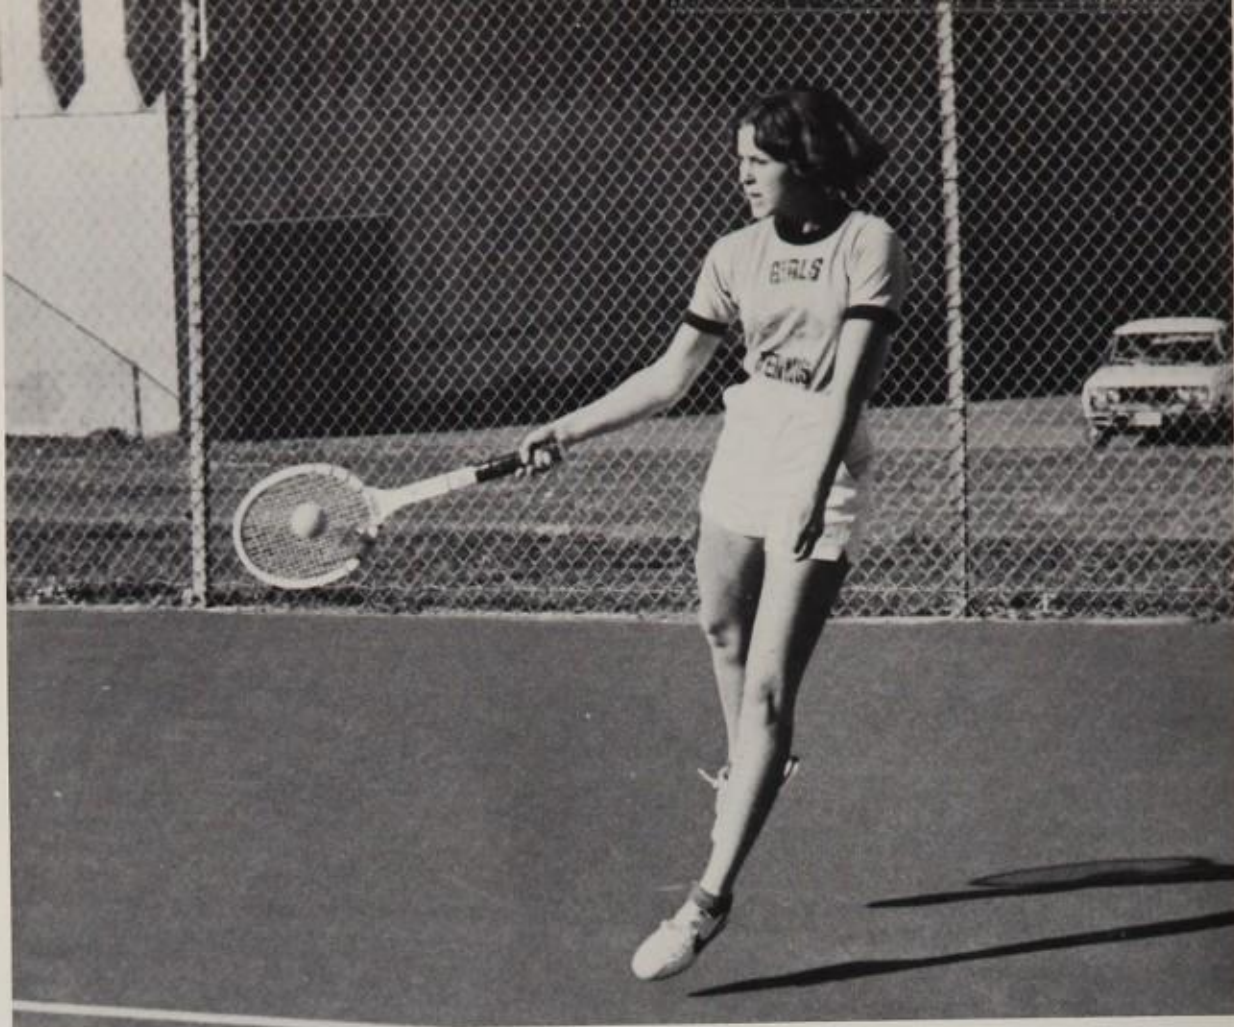

"Togetherness and sharing encouragement helped the girls to victory," said Mr. Jim Nelson, head coach of girls' tennis. Winning three out of six matches, four of which were lost by one point showed improvement over last year, ranking them fifth in the conference.

"The highlight of the season was the banquet," commented Coach Nelson. Teammates awarded captain and most valuable player Pam Kapler, with a \$25 gift certificate.

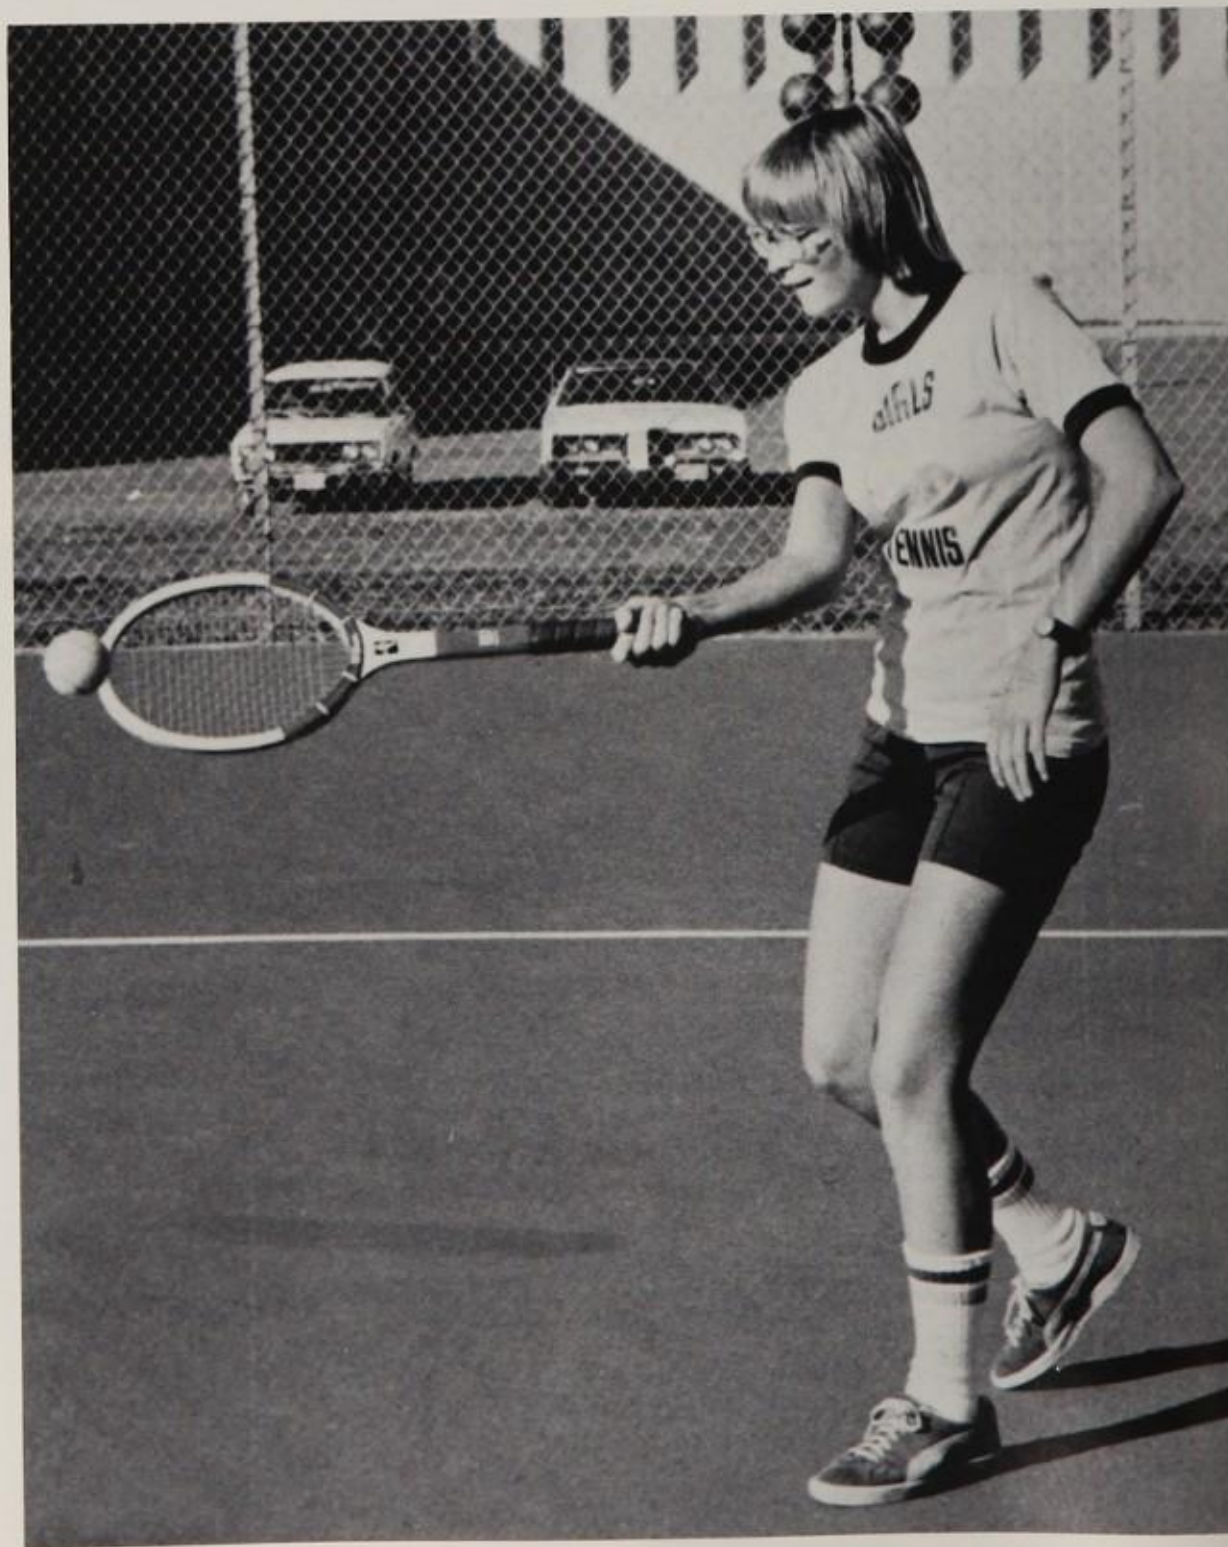

"It was really an experience to be captain of the team. I wish everybody could get a chance to be one. It's something you never forget," stated Pam.

Warm-ups were given to Coach Nelson and Assistant Coach Kent Knutson.

"On the court the players showed effort to win their matches," commented Coach Nelson. "We cheered each other on which helped us win some of our matches," said Sashay Besser.

Boys' basketball has region AA runner-up season

"Great, excellent, outstanding was the mood showed," stated Head Basketball Coach Mel Northway. The team climbed its way up with a 19-3 record and landed itself as a Region 4AA runner-up.

To be coach of a team that excelled to such an extent, Mr. Northway added, "With the 18-game conference schedule, it requires discipline, dedication and patience to work with the sophistication of the athletes today."

Competition was at its best when the team lost to Tartan and Ramsey, keeping them from state.

Co-Captains this year were George Hemmingson, Bill Lawson, Blake Nelson and Rick Kantor. Voted most improved players were Dave Denniston and Steve Goodwin.

Dave commented, "I really like the competition. We had a great season."

Closeness makes girls' basketball season enjoyable

The girls' basketball season was very good, according to Krystal Becker, because of the team's closeness and spirit. She thought this year was better than other years because the team's unity led them to one of the best seasons they've had. At the end of the season their record was 11-7.

Karen Grider said, "I thought the practices were really tough but because the kids were all so fun it made it worthwhile."

The most valuable player on the team was Krystal Becker, the most dedicated was Pam Kapler and the most improved was Sue Barthold. Captains were Pam Donato and Pam Kapler.

Krystal felt one of the highlights of the season was their second game against undefeated Coon Rapids where they were behind by a lot and came back to lose by only four points.

Two out of three goals reached by wrestlers

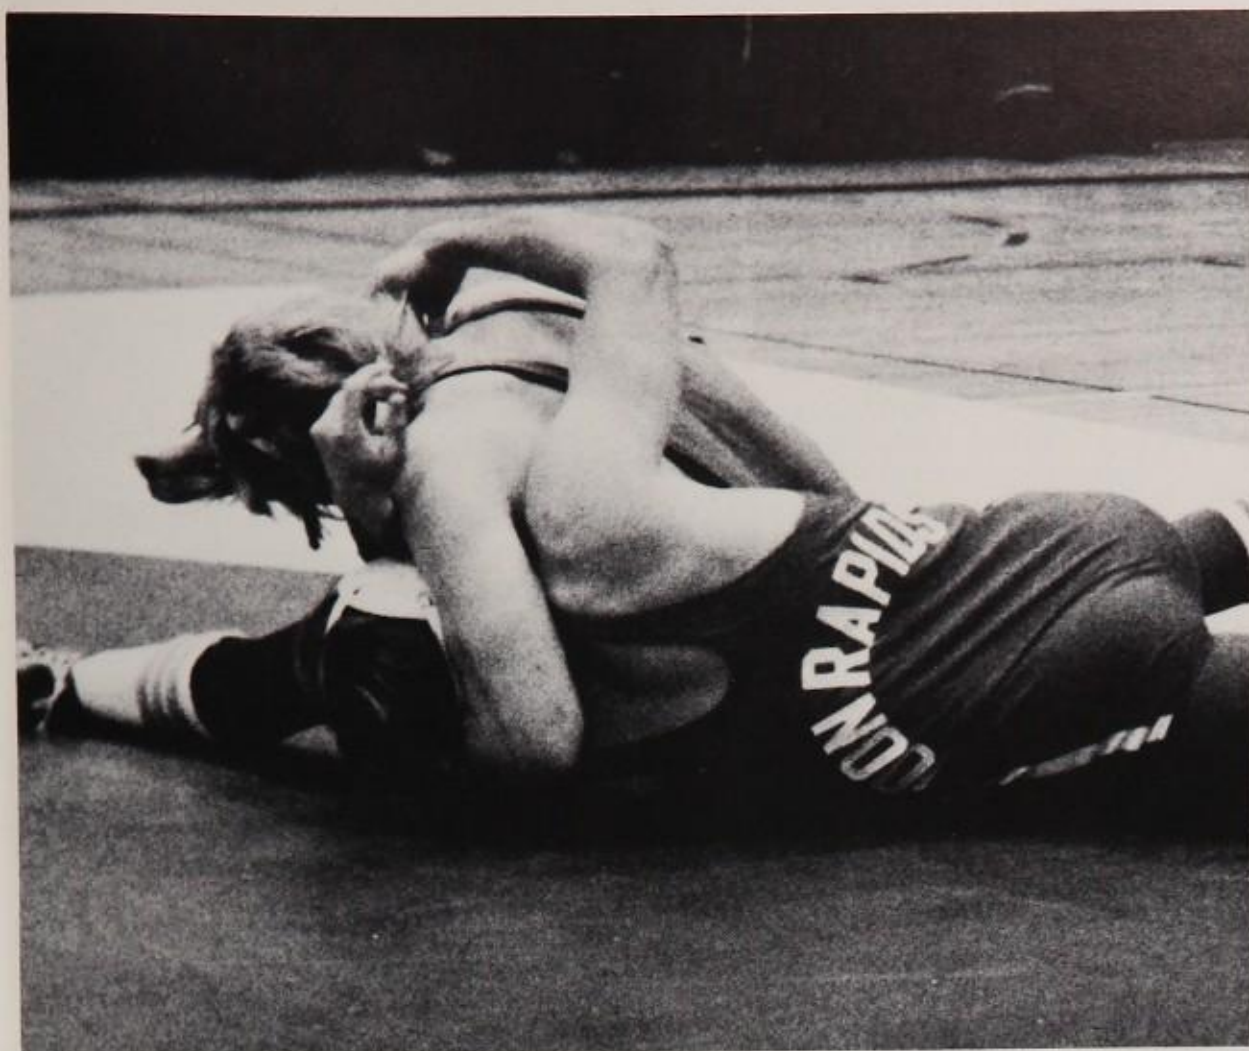

"The attitude of the kids and the willingness to work very hard together made the year special," said Head Wrestling Coach Ron Johnson.

The team compiled a 14-3 record and sent three wrestlers to the state tournament. Jim Mead in his weight division of 145 lbs. took the state championship. Bruce Bloxham took third place in the heavyweight division, while Kent Bender lost his first match and finished seventh place at state.

"Improving continually throughout the year, to be one of the top ten teams in the state, and represent Region four in the state meet were the goals that kept the team playing together. We reached the first two goals to our satisfaction, and felt that we wrestled well enough to defeat Anoka in the Region finals, despite our close loss," commented Coach Johnson.

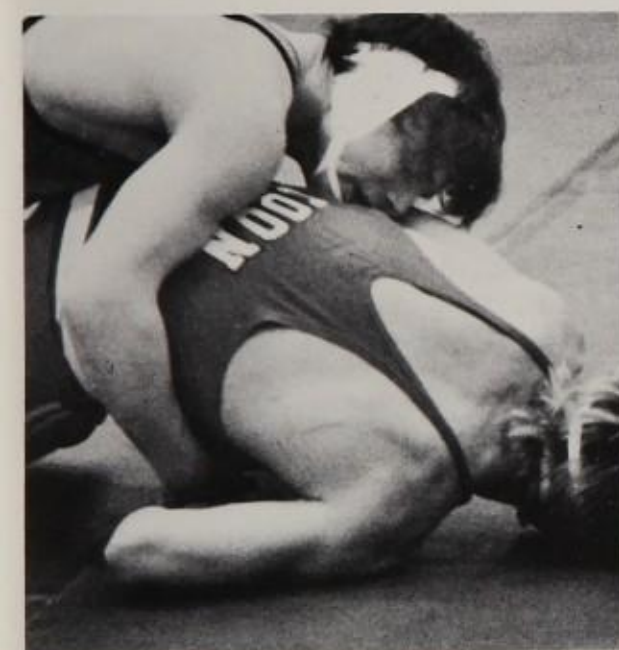

"Improving greatly through the year were Kent Bender and Dave Heimer," stated Coach Johnson. Captains were Jim Mead, Bruce Bloxham and Pat Delany.

Injuries give hockey season ups and downs

Hockey had its ups and downs due to many injuries this season.

"It was gratifying and frustrating," commented Head Coach Ron Peltier. "The program has come a long way, but still lacks development.

The team worked out daily which helped to develop friendships," commented Coach Peltier.

Player Dan Johnson thought that the team just didn't try hard enough.

"We know that it takes 100 per cent effort to win," said Coach Peltier. "We won the Cottage Grove Holiday tournament against St. Paul Park and Forest Lake, both in overtime."

The captains were Tomm Berquist, Dave Folkes, and most improved player was Royn Bartholdi. The season ended with a record of 9-12.

Girls' dedication, spirit displayed in gymnastics

The girls' gymnastics team, coached by Mr. Gene Palmer and Ms. Ellie Orriett, was very successful. Their season record consisted of seven victories and six losses. All their meets were very close with Blaine competitors scoring high in all four events. Highlight of the season was at Princeton Invitational where the girls brought home a second place team trophy as well as many individual trophies.

The core of the team was made of sophomores, but there key members who pulled the team along. "Some outstanding individuals were Seniors, Nancy Sheffer on the uneven parallel bars, Susie Snyder on the balance beam, and Junior Katie Berry on the floor exercise," commented Coach Palmer.

In vaulting, Nancy Johnson advanced to the regional meet, placing sixth. All the girls on the team put forth great effort, long hours, and hard work. A spirited and dedicated team was the basis of its successful season.

Practice pays off; swim team has best season

This year the boys' swim team achieved their best record by winning three meets — the first time they've ever won any.

The guys got in shape fast by practicing before and after school.

Coach Wayne Strege stated, "Coaching swimming was tiring but rewarding." He also said, "The improvement shown by the individuals and the team in general made the year special."

Captains were Scott Hibbard, John Prescott, and Steve Welle. Most valuable swimmer was Tim Dietz, and most improved was Scott Knight.

CC ski loses one; downhill ski rebuilds

Twenty-eight dedicated individuals helped the cross-country ski team reach success. Out of 20 meets the skiers were defeated only once by Lakeville, which was an upset and a real heartbreaker.

Training for the season consisted of running in the fall, starting out with 10 miles and advancing to 60 miles a week. Spirit and experience helped the team reach the best record ever.

The most valuable skiers were Tammy Moe and Scott Kroll. Terri Shaffer and Terry Kraabel were Tammy Moe, Liz Goesser, Scott Kroll, and Mitch Graves. The coach for this year's team was Mr. Jim Rosenkranz.

Downhill skiing wasn't as successful as cross country skiing, but according to Mr. Jeff May, the team's coach, there were many promising sophomores and juniors which should make for a good, solid team next year.

Their record for this year ended up to be 2 wins and 8 losses. May is expecting more experience next year, for more than half of the team is planning to attend the Oregon ski camp.

Baseball team ends season fifth in conference

When Coach Arlo Brunsberg summarized the baseball season he said, "The kids did a nice job." He felt the league was very even. Baseball ended the season fifth in conference with the highlight of the season being the win over Anoka 6 to 3. He also added, "We will miss the seniors, but we have a good number of junior lettermen back."

The most outstanding player of this year was Dave Folkes, who was voted MVP.

Coach Brunsberg stated earlier that the goal of the season was to win over half of their games. The team finished the season with the record of 9-8.

Some of the team's toughest competition came from Columbia Heights, Ramsey, Anoka and Coon Rapids.

14-3 record gives softball best year ever

Posting a record of 14 wins and only 3 losses, softball had its most successful year. Head Coach Mark attributed it to allowing fewer runs, better conditioning and good defense. "The team's strongest point was their outstanding defense in the infield," said Coach Case.

In its second year of fast pitch, the team made it to the semi-finals in the regions, finally losing to Hill-Murray 4 to 3.

Shelley Vick was named outstanding player, and she plus Krystal Becker and Pam Kapler were named all-conference. Pam Donato and Teresa Hill got honorable mention in the conference.

According to Coach Case, the team bettered itself in every category except overall hitting. He called that a real accomplishment especially in the tough conference Blaine is in.

Boys' golf team has yet another winning season

Boys' golf team has dominated the North Suburban conference for a long time. This year marks the third year in a row the team has taken that title.

Coach Steve Johnson commented on the year. "I was really happy with the underclassmen. They kind of picked things up when we lost some seniors with ineligibility."

Top golfers included Seniors Mark Storlie, Rod Moorehead, and Matt Larson. Returning next year are Juniors Tim Dietz and Gary Lawson and Sophomores Bob Folkes and Todd Dietz.

Tim Dietz was region medalist with a score of 78. Tim was also named most valuable golfer and most improved. Gary Lawson had the lowest average.

"I'm looking forward to next year," stated Coach Johnson.

Girls' golf team has its first winning season

The girls' golf team had their first winning season ever. Out of 12 matches the squad won seven, tied one, and lost four.

Keri Berquist was awarded most valuable player of the season. She was medalist in at least 6 of the 11 matches. Diane Dorsey was awarded most improved.

Coach Dan Dussl commented that he thought the team did an outstanding job considering the heavy competition. He also said that he was very happy when the team beat Anoka because it was the first time they had ever done it.

Hoffman fires boys' track to winning season

With only seven returning lettermen and an excellent group of sophomores, the boys' track team had their most rewarding season by far. Highlights came by placing second in the Blaine Invitational, fifth in the conference meet and had six members become conference champions.

According to coach Doug Beck, "I thought it would be a rebuilding team, but because of their enthusiasm and dedication, we had a winning season."

One of the most exciting climaxes came when Don Hoffman broke the state record in the shot-put at Track-o-rama. "We got a lot of publicity because of Don's accomplishments and that really fired the team up," stated Coach Beck.

Outstanding performances were displayed by Tony Hereid, Mitch Graves, Tracy Huebner, Steve Rogers on the two-mile relay team; Bob Roo, Rick Kantor, Al Hartleib, Jim McLaughlin, and Don Hoffman. Assistant coaches were Mr. Jim Rosenkranz, Mr. John Steffen and Mr. Gary Sabourin.

First conference title ever won by girls' track

It was an "excellent season" in the words of Mr. Paul Gorsche, head girls' track coach. For the first time in Blaine history, the girls' team captured the conference title.

Earlier in the season, the team brought home its first trophy at the Armstrong Invitational Meet by defeating six other teams.

Mr. Gorsche attributed the successful year to the larger number of seniors and to "two good assistant coaches," Mr. John Hersch and Ms. Sue Fillippi.

Overall, the team posted five wins and three losses and took third in the regional meet, only five points behind the first place squad.

Joan Jacobz, most valuable player, took fourth in the state meet in the 110-yard low hurdles. Sherri McCall was named outstanding athlete, and Nancy Sheffer was named outstanding senior.

Positive attitudes help boys' tennis improve skills

With their toughest competition coming from Coon Rapids, Mounds View and Ramsey, the boys' tennis team smashed their way through to a record.

The team had a couple of weak points. One was with lack of competition in the summer. Another was that the boys would win the first of their three sets but were not able to capture any of the others.

Despite these problems the team was good. Coach Larry Paradise stated "The players all had positive attitudes, which did a lot to help." He also added, "They all worked very hard on improving their skills."

The most exciting moment and the best match of the season was the victory over St. Francis, which the team won 4-3.

Yes, it takes all kinds to make a school

Like a comedy
has its funny
characters,
Blaine Senior
High has its too.

It could possibly
be to entertain
us, or maybe to
just lighten our
days.

They come in
all sizes, shapes
and ages, each
bringing a little

uniqueness to
the classes and books.
Though there
are no names
given, it leaves
the character to
your imagination.
This being only

a few examples
of our
school, think of
all the fun and
smiles that we
enjoy throughout
the year's script.

Final curtain drops on '78 performance

And so the curtain falls on the 1978 performance of Blaine Senior High. Like a play, it had a beginning and an ending. It had action, plot, setting and lots of characters.

You were truly the scriptwriters and actors all at the same time. We, the staff, were merely chroniclers of your actions. You, being the cast of thousands, makes you the star of this whole production. And Blaine Senior High was quite a performance!

Many people gave us assistance and advice during the year, and they are heartily appreciated. Special thanks to Mr. Cliff Wilder of David Banks Studios for color, group, and special candid photography; to Mr. Dan Trudeau for photographic and graphic aid; to Mr. Wes Fager for let-

ting us borrow film and equipment; to Ms. Ann Mueller of Taylor Publishing for encouragement and patience; to Mr. Kent Knutsen for emceeing our sales assemblies so superbly again; to Carol Sheffer for cover design assistance; to Colleen Kroll for typing and indexing; to the custodians for unlocking countless doors; to the dean's and main offices for lists, and answers, and tolerance; and to Jean Kot, Scott Brady, Tracy Huebner, Gary Lawson, Margie Myers, Nancy Mason, Mike Maloy, Barb Stoner, Brenda Gerlach, Mr. Dave Watry, Ms. Joyce Malwitz, third hour Journalism, the **Blueprint** staff, and everyone else who helped pull it all together in that marathon, last-ditch, final deadline effort when fewer of us were left to finish the book than had started it. We thank you!
